M-2432

38/0 wide x 47/0 deep

2,432 sq. ft.

*"Only 38 ft. in width plan M-2432 will fit anywhere. The cozy craftsman exterior with porch belies the economical construction of this family home. The Great room shines onto the backyard with 12 feet of window area. The master bedroom also has big space and a view to the rear. The tandem garage works as a three car or a two car with a shop. We also have several upper floor options for this one of a kind designer home."*
