67/3 wide x 59/2 deep  
2,481 sq. ft.

"Here is a wonderful Arts and Crafts inspired empty nester home. As the baby boom generation approaches retirement they will come to appreciate this type of floor plan. The magnificent and open kitchen, great room is the heart of the home, with the master suite on the main floor and one aging teen-ager room above the garage. This design comes complete with a home office."
