Plan MSAP-2794

40/0 wide x 60/0 deep
2,794 sq. ft.

"Master Suite on the main floor. Big, really big kitchen and family room at the rear of the home. The den is private and secluded. Upstairs there are five bedrooms. The narrow width here is a plus as it fits most any site. The addition of a third car garage makes the home 50 feet wide."
