60'0" wide x 50'0" deep
2,872 sq. ft.

"A truly stunning corner lot home, this design features 4 large bedrooms, a three car garage and one of the biggest family rooms you will find in a home of less than 2900 sq. feet. A truly dramatic home that also offers your family very practical usefulness. This plan has been a popular solution to corner lots as well as larger rectangular lots. The look says it all..."
