

Feng Shui Rating: 7.8

Plan
M-2977A

57/0 wide x 44/0 deep
2,977 sq. ft.

"Another perfect design for an uphill lot with a view to the front. The Master Suite is on the Main Floor with secondary bedrooms above. The curb appeal here is outstanding, as is the traffic flow within. We have many options available for this popular plan.. Please call for details."
