Plan
MASH-2764

67/2 wide x 47/0 deep
3,915 sq. ft.

"This plan has been called "The Perfect House" by realtors, builders and homeowners alike!!! It is by far our most popular basic design and sells on a regular basis to builders and homeowners across the country. We have numerous floor plan and elevation options available. Too numerous to list here, please call for details."
