

Feng Shui Rating:8.2

Plan
M-2307

58/0 wide x 59/0 deep
2,307 sq. ft.

"Designed for a downhill lot with a view to the rear. The great room, not only shares the view to the rear, but has a full vaulted open beam ceiling. The master suite is private and easy to get to, up just seven steps from the main floor. Downstairs the quality continues with three additional bedrooms and a recreation room."
